## Introduction

### Overview of the speaking exam

The 0520 CIE IGCSE in French exam has an oral component which assesses your ability to communicate in speech, showing knowledge of a range and variety of vocabulary, and applying the grammar and structures of the target language (French).

The speaking exam is divided into three compulsory parts.

- Test 1: Role Plays.
- Test 2: Topic Presentation/Conversation
- Test 3: General conversation

In the topic Presentation/Conversation and the General Conversation tests, a range of questions will be asked to you and to be successful, you will be expected to have practised many of those questions.

## Introduction

### What is included in this guide?

This guide provides you with a bank of 55 IGCSE questions to help you answer the different questions that you might encounter in your CIE IGCSE in French Oral exam. The guide offers you an opportunity to practise questions in one of the 5 broad topics in which you will be assessed. It covers topic area A which is Everyday activities.

### How to use this guide?

Practising answering those questions will definitely give you an edge in the oral exam and writing your answers down will help you gather all your thoughts in one place. It is strongly encouraged that you write your answers down as this will also help you practise easily the grammatical structures required. Another advantage of writing is the fact that you can come back to your first draft and constantly try to improve it to get the best possible grades.

## About EFrenchTuition Online

EFrenchTuition Online is an online resource that provides information to learners of the French language and helps students get the best possible grades in their next exam in French.

E-FrenchTuition Online runs after school structured tutorial programmes enabling students to receive a supplement to their school teaching throughout the year and focused revision during the examination periods. We also run morning tutorial programmes to allow Home Educated learners to study French in a structured way and in line with the National Curriculum. Our morning and after-school tutorial lessons are aimed at 10 year olds and above and focus on French at Key Stage 2, KS3, 11+ Common Entrance, Pre-(i)GCSE, GCSE, IGCSE & A-Levels as well as the DELF Exams. Additionally, we offer individual tuition, revision, exam preparation courses in French for all the levels mentioned above. Most of our courses are available through Distance Learning and SchoolLive online.

EfrenchTuition Online's teachers are always happy to work with committed students who would like to ace in French either because they want to be accepted in prestigious universities while competition is at its highest or for pure pleasure of learning this amazing language.

Thank you for reading this guide. We look forward to working with you.
